Updated October 31, 2013

**To:** Transferor Judge

**From:** Judge Eduardo C. Robreno, Presiding Judicial Officer, MDL 875

**Re:** Asbestos case that has been transferred to your court

---

### **Status of the case that has been transferred from the Eastern District of Pennsylvania**

This case has been transferred back to the transferor court, from the MDL 875 Court in the Eastern District of Pennsylvania.

Cases that are remanded to transferor courts are ordinarily ready for trial, pursuant to this Court's Administrative Order No. 18 (see <http://www.paed.uscourts.gov/mdl875d.asp>).

Specific information regarding the history of a specific case while it was in the MDL 875 Court can be found in the Suggestion of Remand (above) that the MDL Court submitted to the Judicial Panel on Multidistrict Litigation in connection with its Order.

### **History of MDL 875, In re: Asbestos Products Liability Litigation**

MDL 875, In re: Asbestos Products Liability Litigation, involves issues relating to personal injury damages caused by asbestos products. It currently consists of about 3,000 cases transferred by the Judicial Panel on Multidistrict Litigation, which has been transferring cases to the Eastern District of Pennsylvania since 1991. Each case typically consists of claims by multiple plaintiffs against multiple defendants. Since its inception, the litigation has involved more than 100,000 cases and up to ten million claims, including land-based and maritime claims ("MARDOC").

Beginning with Administrative Order No. 12 (see <http://www.paed.uscourts.gov/mdl875d.asp>) in 2008, the Court initiated an aggressive, pro-active policy to facilitate the processing of cases. The policy involves giving newly transferred cases scheduling orders; setting cases for settlement conferences; having motion hearings; and remanding trial-ready cases to transferor courts, or, in the alternative, holding trials in the Eastern District of Pennsylvania (if so requested by the parties).

### **Resources available for transferor courts on the MDL 875 website**

More information about the history of MDL 875 can be found on the Eastern District of Pennsylvania's MDL 875 website at <http://www.paed.uscourts.gov/mdl875a.asp>. Additionally, all Administrative Orders issued in this litigation (including current Orders and those no longer in effect) can be found at <http://www.paed.uscourts.gov/mdl875d.asp>.

Also on the website is an Excel spreadsheet of all decisions issued by the Presiding Officer on

substantive and procedural matters since 2008 (see <http://www.paed.uscourts.gov/mdl875n.asp>). This spreadsheet is updated regularly, and it can be sorted by jurisdiction, case caption, subject matter, party name, etc. It is also word searchable. The MDL-875 Court intends this spreadsheet to be a helpful resource for transferor courts addressing issues similar to those already addressed by the MDL-875 Court.

Other options available to assist the Transferor Court with legal research include searchable databases created by LexisNexis and Westlaw. Directions on how to access these databases can be found on <http://www.paed.uscourts.gov/mdl875n.asp>.

#### **Contact information for the MDL 875 Court**

The MDL 875 Court is ready, willing and able to assist the transferor court with any matters relating to the transfer of the case or any substantive or procedural issues that may arise.

You may contact the Presiding Judicial Officer (Judge\_Eduardo\_Robreno@paed.uscourts.gov), the MDL 875 law clerk (Christopher\_Lucca@paed.uscourts.gov or (267) 299-7422), or the Clerk's Office ((267) 299-7012)) for further assistance.

#### **Intercircuit Assignment Committee**

The Intercircuit Assignment Committee of the Judicial Conference, under the leadership of Judge Royce C. Lamberth of the District of Columbia, can assist in the identification and assignment of a senior judge from another District who is ready, willing and able to preside over the trial of this case. #### **Special Master**

The Court has designated Professor Francis McGovern to act as special master for remand purposes to assist the trial and/or transferor court in any manner deemed appropriate by those courts to insure the smooth and consistent remand of cases from MDL 875. It currently consists of about 3,000 cases transferred by the Judicial Panel on Multidistrict Litigation, which has been transferring cases to the Eastern District of Pennsylvania since 1991. Each case typically consists of claims by multiple plaintiffs against multiple defendants. Since its inception, the litigation has involved more than 100,000 cases and up to ten million claims, including land-based and maritime claims ("MARDOC").

Beginning with Administrative Order No. 12 ([see http://www.paed.uscourts.gov/mdl875d.asp](http://www.paed.uscourts.gov/mdl875d.asp)) in 2008, the Court initiated an aggressive, pro-active policy to facilitate the processing of cases. The policy involves giving newly transferred cases scheduling orders; setting cases for settlement conferences; having motion hearings; and remanding trial-ready cases to transferor courts, or, in the alternative, holding trials in the Eastern District of Pennsylvania (if so requested by the parties).

See In re Collins, 233 F.3d 809, 810 (3d Cir. 2000) ("It is responsible public policy to give priority to compensatory claims over exemplary punitive damage windfalls; this prudent conservation more than vindicates the Panel's decision to withhold punitive damage claims on remand."); see also In re Roberts, 178 F.3d 181 (3d Cir. 1999).

Pennsylvania, and the Suggestion of Remand will be vacated.

AND IT IS SO ORDERED.
